## **DETAILED ACTION**

### ***Response to Amendment***

1. The amendment after final rejection filed on 02/25/2008 has not been entered.
2. Examiner notes that entry of a proposed amendment after final rejection cannot be made as a matter of right unless it merely cancels claims or complies with a formal requirement made earlier (See rule 1.113). In this case, Applicant has done neither. Applicant has submitted arguments arguing the rejections made in the previous office action. Examiner finds Applicant's arguments unpersuasive and therefore the previous office action stands.
